

permission to film and shoot

With its unique location high above lake Tegernsee, the hotel DAS TEGERNSEE offers a breathtaking scenery for professional photoshoots and film records.

For this reason, we receive a large number of requests to film and shoot on our premises every day. Therefore, we ask for your understanding that we are interested why you would like to take pictures or record videos on our grounds.

We kindly ask you to complete this request at least 5 working days in advance to the planned shooting date and sent it to marketing@dastegernsee.de for approval. Please note that we do not allow shooting and filming activities without an issued permit.

We will take care of your request as soon as possible and get in contact with you.

Thank you very much in advance.
